<u>New Self-Assessment Report (Tier I Engineering Programs)</u>

The National Board of Accreditation (NBA) announces a new Self-Assessment Report (SAR) format (July 2024 document) for the Tier I Engineering Programs as per the GAPC Version 4.0, applicable with effect from 1st August 2024.

The implementation of New SAR for Accreditation of Tier I Engineering Programs will be as follows:

1. The new SAR (July 2024 document) for the Tier I Engineering programs will be applicable with effect from 1st August 2024.

2. Institutions that have already submitted SAR in the existing January 2016 document will have the option to either continue in the same format or apply afresh in the new format. This option will be available till 31st December 2024.

3. Institutions wishing to submit fresh applications will have an option to do so either in the existing SAR document (January 2016 document) or the new SAR document (July 2024 document) till 31st December 2024.

4. There will only be the new SAR document (July 2024 document) available for the Tier I Engineering programs with effect from 1st January 2025.
